Lobby Expectation and Parking

Our expectation is that Momentum will be a home for you. Please treat our home with respect by not allowing children to climb on counter tops or furniture. Please keep all food in the kitchen area. Please throw away your garbage at the end of your evening. Parents are responsible for supervising their children. If siblings must come, please bring a quiet activity for them. Please help us in creating a positive experience for all at Momentum. You may park in either the building lot or the gravel lot next to our building. In the concrete lot, please park facing the building or facing the road. It is difficult for others to exit if cars are parked facing the trees and difficult to see oncoming traffic if cars are parked on the grass. The dock drive way is reserved for staff. Please do not park blocking the driveway entrances by parking next to the telephone pole and use designated entrances and exits. Thank you for you cooperation.
